I praise You in the morning, I praise You in the evening  
I praise You when I'm Young and when I'm old  
I praise You when I'm laughing, I praise You when I'm  
grieving  
I praise You every season of the soul

If we could see how much You're worth  
Your power, Your might, Your endless love  
Then surely we would never cease to praise You

Everything that, everything that  
Everything that has breath, praise the Lord  
Everything that, everything that  
Everything that has breath, praise the Lord

I praise You in the heavens, joining with the angels  
I'm praising You forever and a day  
I praise You on the earth now, joining with creation  
Calling all the nations to Your praise

If we could see how much You're worth  
Your power, Your might, Your endless love  
Then surely we would never cease to praise You  
Oh yeah!

Everything that, everything that  
Everything that has breath, praise the Lord  
Everything that, everything that  
Everything that has breath, praise the Lord

Everything that, everything that  
Everything that has breath, praise the Lord  
Everything that, everything that  
Well, everything that has breath, praise the Lord

Everything that, everything that  
Everything that has breath, praise the Lord  
Everything that, everything that  
Everything that has breath, praise the Lord

Everything that, everything that  
Everything that has breath, praise the Lord

Everything that, everything that  
Everything that has breath, praise the Lord

Everything that, everything that  
Everything that has breath, praise the Lord  
Everything that, everything that  
Well, everything that has breath, praise the Lord
