[The Hombres - Let It Out (Let It All Hang Out)]

(Spoken)

A preachment, dear friend
You are about to receive on John Barleycorn
Nicotine and the temptations of Eve

No parkin' by the sewer sign
Hot dog, my razors broke
Water drippin' up the spout
But I dont care, let it all hang out

Hangin' from a pine tree by my knees
Sun is shinin' through the shade
Nobody knows what its all about
It's too much, man, let it all hang out

Saw a man walkin' upside down
My T.V.s on the blink
Made Galileo look like a Boy Scout
Sorry 'bout that, let it all hang out

Sleep all day, drive all night
Brain my numb, can't stop now
For sure ain't no doubt
Keep an open mind, let it all hang out

It's rainin' inside a big brown moon
How does that mess you baby up, leg
Eatin' a Reuben sandwich with sauerkraut
Don't stop now, baby, let it all hang out

Let it all hang out
Let it all hang out
Let it all hang out
