We started dancing and love put us into a groove
As soon as we started to move
The music played while our bodies displayed through
the dance
Then love picked us out for romance

I thought it was clear the plan was we would share
This feeling just between ourselves
But when the music changed, the plan was re-arranged
He went to dance with someone else

We started dancing and love put us into a groove
But now he's with somebody new
What does love want me to do?

Love said, "Let the music play
Let the music play, he won't"

He tried pretending a dance is just a dance, but I see
He's dancing his way back to me
Guess he discover we are truly lovers, magic from the
very start
'Cause love just kept me groovin' and he felt me movin'
Even though we danced apart

So we started dancing and love put us into the groove
As soon as we started to move
As soon as we started to move

Love said, "Let the music play, he won't get away
Just keep the groove and then he'll come back to you
again", let it play
"Let the music play, he won't get away
This groove he can't ignore, he won't leave you
anymore", no, no, no

Let the mu
Just keep the groove
Let the music
This groove he can't ignore, he won't leave me
anymore

Let the music
He'll come back to you, you, yeah
No, no, no
