Let the sun shine, let the sun shine in  
The sun shine in, the sun shine in

I've been waiting for a sunny day  
Temp went high to make some hail  
Today looks good, I see the weather's fine  
Grass is high and the sun might shine

The weather to get together  
I don't know whether I should feel your touch  
The weather to get together  
I don't know whether the grass is high enough

Let the sun shine, let the sun shine in  
Let the sun shine, let the sun shine in  
The sun shine in, the sun shine in

Oh, so lovely on a sunny day  
The toll looks high, [Incomprehensible] play  
The grass is greener over the fence  
There is nothing like experience

The weather to get together  
I don't know whether I should move so fast  
Weather to get together  
I don't know whether you're a snake in the grass

Let the sun shine, let the sun shine in  
Let the sun shine, let the sun shine in  
The sun shine in, the sun shine in

Let the sun shine, let the sun shine in  
Let the sun shine, let the sun shine in

Let the sun shine, let the sun shine in  
The sun shine in, the sun shine in

Let the sun shine, let the sun shine in  
The sun shine in, the sun shine in
