My mommy told me something, a little kid should know  
And it's all about the devil and I've learned to hate him  
so  
She says, he causes trouble if you let him in your room  
And he'll never ever leave you if your heart is filled with  
gloom

So let the sun shine in, face it with a grin  
Smilers never lose and frowners never win  
So let the sun shine in, face it with a grin  
Open up your heart and let the sun shine in

So let the sun shine in, face it with a grin  
Smilers never lose and frowners never win  
So let the sun shine in, face it with a grin  
Open up your heart and let the sun shine in  
Open up your heart and let the sun shine in
