Let's Get It Started, in here...

And the base keep runnin' runnin', and runnin' runnin',
and runnin' runnin', and runnin' runnin', and
runnin' runnin', and runnin' runnin', and runnin' runnin',
and runnin' runnin', and...

In this context, there's no disrespect, so, when I bust
my rhyme, you break your necks.
We got five minutes for us to disconnect, from all
intellect collect the rhythm effect.
To lose your inhibition, follow your intuition, free your
inner soul and break away from tradition.
Coz when we beat out, girl it's pullin without.
You wouldn't believe how we wow shit out.
Burn it till it's burned out.
Turn it till it's turned out.
Actin' up from north, west, east, south.

[Chorus:]

Everybody, everybody, let's get into it.
Get stupid.
Get it started, get it started, get it started.
Let's get it started (ha), let's get it started in here.
Let's get it started (ha), let's get it started in here.
Let's get it started (ha), let's get it started in here.
Let's get it started (ha), let's get it started in here.
Yeah.

Lose control, of body and soul.
Don't move too fast, people, just take it slow.
Don't get ahead, just jump into it.
Y'all hear about it, the Peas'll do it
Get stutted, get stupid.
You'll want me body people will walk you through it.
Step by step, like an infant, new kid
Inch by inch with the new solution.
Transmit hits, with no delusion.
The feeling's irresistible and that's how we movin'.

[Chorus:]

Everybody, everybody, let's get into it.

Get stupid.

Get it started, get it started, get it started.

Let's get it started (ha), let's get it started in here.

Let's get it started (ha), let's get it started in here.

Let's get it started (ha), let's get it started in here.

Let's get it started (ha), let's get it started in here.

Let's get ill that's the deal

Out the gate, we will bring a punked Eye thrill (Just)

Lose your mind this is the time

Y'all can't sit still just to bang your spine (Just)

Bob your head, like me, Apl.De

Up inside your club or in your Bentley

Get messy, loud and sick

Your mind past normal on another head trip

So, come dumb now do not correct it

Let's get ignorant

Let's get hectic

[Chorus:]

Everybody, everybody, let's get into it.

Get stupid. (Come on)

Get it started (come one), get it started (yeah), get it started.

Let's get it started (ha), let's get it started in here.

Let's get it started (ha), let's get it started in here.

Let's get it started (ha), let's get it started in here.

Let's get it started (ha), let's get it started
