This here is a remarkable, So So Def remix  
JE y'all, Run DMC, to the beat y'all, uh  
Ah-hah, ah-hah, and me  
Y'all know my name, come on

See, first of all  
I know these so called playas wouldn't tell you this  
But I'm a be real and say what's on my heart  
Let's take this chance and make this love feel relevant  
Didn't you know I loved you from the start, yeah

When I think about all the years we've put in this  
relationship  
Who knew we'd make it this far?  
Then I think about where would I be if we were to just  
fall apart  
And I can't stand the thought of losing you

Meet me at the altar in your white dress  
We ain't getting no younger, we might as well do it  
Been feeling you all the while girl, I must confess  
Girl, let's just get married, I just wanna get married

Meet me at the altar in your white dress  
We ain't getting no younger, we might as well do it  
Been feeling you all the while girl I must confess  
Let's get married, baby, let's get married

Said I done it all  
But frankly girl, I'm tired of this emptiness  
I wanna come home to you and only you  
'Cause making love to just anyone ain't happening  
I just gotta be with you

Do you think about  
Us finishing something we started so long ago  
I wanna give you my all  
Do you think about maybe us having some babies  
Come on won't you be my lady, forever girl

What's going on across the sea  
It ain't nothing, I ain't frontin', shorty come here with

me  
Now I done already gave you the keys to the Range  
And your last name's about to change  
Now your Mrs. Simmons got a better livin'  
With a different reverend name

Used to be the snake type, hanging out late night  
Girl you done made me change my life  
Ever since you met me, keys to the Bentley  
Now they call you the 'Preacher's Wife'  
I'm a the type of guy that'll take you out and buy that  
Ring with the rock that'll break your arm  
Playas won't try that, now you can't deny that  
Triple dub rev to the run dot com
