We can boogie down, down, on down
Come boogie down, down, on down
Come boogie down, down, on down
Come boogie down, down, on down

Let's groove tonight
Share the spice of life
Baby, slice it right
We're gonna groove tonight

Let this groove get you to move
It's alright, alright, alright
Let this groove set in your shoes
So stand up, alright, alright

Gonna tell you what you can do
With my love, alright
Let you know, girl, you're looking good
You're out of sight, alright

Just move yourself
And glide like a 747
And lose yourself in the sky
Among the clouds in the Heaven

'Cause let this groove light up your fuse
It's alright, alright, alright
Let this groove set in your shoes
So stand up, alright, alright

Let me tell you what you can do
With my love, alright
Gotta let you know, girl, you're looking good
You're out of sight, alright

Just tell the DJ
To play your favorite tune
Then you know it's okay
What you found is happening now

Let this groove light up your fuse
It's alright, alright, alright

Let this groove set in your shoes
So stand up, stand up, alright

Let this groove get you to move
It's alright, alright, alright
Let this groove set in your shoes
So stand up, alright, alright

You will find peace of mind
On the floor, take a little time
Come and see, you and me
Give a little sign, I'll be there after a while
If you want my love

We can boogie on down, down
Boogie on down, down
We boogie on down, down
We boogie on down, on down

Let's groove tonight
Share the spice of life
Baby, slice it right
We're gonna groove tonight

Let this groove light up your fuse
It's alright, alright, alright
Let this groove set in your shoes
So stand up, alright, alright

Let this groove get you to move
It's alright, alright, alright
Let this groove set in your shoes
So stand up, alright, alright

Let this groove light up your fuse
It's alright, alright
Let this groove set in your shoes
So stand up, alright, alright

Let this groove get you to move
It's alright, alright, alright
Let this groove set in your shoes
So stand up, alright, alright

Let this groove light up your fuse
It's alright, alright
Let this groove set in your shoes
So stand up, alright, alright

Hey, alright

Let this groove light up your fuse
It's alright, alright, alright
Let this groove set in your shoes
So stand up
