Lies, lies
Your telling me that you'll be true
Lies, lies
That's all I ever get from you

Tears, tears
I shed a million tears for you
Tears, tears
And now you're loving someone new

Someday I'm gonna be happy
But I don't know when just now
Lies, lies breakin' my heart

You think that you're such a smart girl
And I'll believe what you say
But who do you think you are girl
To lead me on this way, hey

Lies, lies
I can't believe a word you say
Lies, lies
I'm gonna make you sad someday

Someday you're gonna be lonely
But you won't find me around
Lies, lies breakin' my heart

Someday I'm gonna be happy
But I don't know when just now
Lies, breakin' my heart

You think that you're such a smart girl
And I'll believe what you say
But who do you think you are girl
To lead me on this way, hey

Lies, lies
I can't believe a word you say
Lies, lies
I'm gonna make you sad someday

Someday you're gonna be lonely
But you won't find me around
Lies, lies breakin' my heart

Breakin' my heart
Breakin' my heart
Breakin' my heart
Breakin' my heart
