I never met a man, quiet like you  
Doing all he can, making my dreams come true  
You're strong and you're smart, you've taken my heart  
And I can't give the rest of me too  
You're the perfect man for me, I love you I do, I love  
you  
I never ever felt quite like this  
Could've by myself from my very first kiss  
I'm here when you call, you've got it all  
And confidence like I never knew  
You're the perfect man for me, I love you I do  
You've got the charm, you simply disarm me every  
time  
As long as you drive I'm alone for the ride always  
You said it before, there won't be a door that's close to  
earth  
Whom I'ma trusting you 'cause you, you'll always be  
true  
Oh, never could have known this would be  
Oh, you and you alone, yeah all for me  
I know you're the best, you passed every test  
It's almost too good to be true  
You're the perfect man for me, I love you I do  
You're the perfect man for me, I love you I do, do
