Saturday steppin into the Club  
The music made me wanna tell the DJ Turn it Up  
I feel the Energy All around  
And my body can't Stop movin to the sound  
But..I can't tell that your watchin me  
And your probably gonna write what you didn't see  
Well I just need a little Space to Breath  
Can you please Respect my Privacy

Why can't you just let do  
The things I wanna do  
I just wanna be Me  
I don't Understand Why  
Would you wanna Bring me down  
When I'm only having Fun  
I'm gonna live my life  
(But Not the Way that you want me to)

(Chorus)

I'm tired of Rumors Started  
I'm sick of bein' Followed  
I'm tired of people Lyin  
Sayin what they want about me  
Why can't they Back up off me  
Why can't they let me live  
I'm gonna do it my way  
Take this for just what it is

Here we are Back up in the Club  
People Takin Pictures don't you think they get enough  
I just wanna be all over the Floor  
And Throw my hands up in the air to the Beat like..  
(whaaattt)  
I gotta say respectfully  
I would love it If you took the Camers off of me  
Cuz I just Need a Little Room to Breath  
Can you please Respect My Privacy
