Listen, to the song here in my heart
A melody I start but cant complete
Listen, to the sound from deep within
It's only beginning to find release

Oh the time has come for my dreams to be heard
They will not be pushed aside and turned
Into your own all 'cause you wont listen

Listen, I am alone at a crossroad
I'm not at home in my own home
And I've tried and tried to say whats on my mind
You should have known

Now I'm done believing you
You dont know what I'm feeling
I'm more than what you made of me
I followed the voice you gave to me
But now I've gotta find my own
You should have listened

There is someone here inside
Someone I thought had died so long ago
Oh Im screaming out and my dream to be heard
They will not be pushed aside or burned
Into your own all 'cause you won't listen

Listen, I am alone at a crossroad
I'm not at home in my own home
And I've tried and tried to say whats on my mind
You should have know

Oh now I'm done believing you
You don't know what I'm feeling
I'm more than what you made of me
I followed the voice you gave to me
But now i've gotta find my own

(bridge)
I don't know where I belong
But I'll be moving on

If you don't, If you won't

Listen, to the song here in my heart
A melody I started
But I will complete

Now i'm done believing you
You dont know what I'm feeling
I'm more than what you made of me
I followed the voice you think you gave to me
But bow I gotta find my own
My ooown
