Little boy blue
Please come blow your horn
Little boy blue
Please come blow your horn
My baby she gone an left me
She left me all a-lone

Now, the sheeps is in the meadow
An the cows is in the corn
I've got a girl in Chicago
She loves to hear me
Blow my lonesome horn

Little boy blue
Please come blow yo' horn
My baby she gone an left me
She left me all a-lone

'Play it for me, boy'

(guitar & bass)

I'm gonna take my wup
An wup her
I'm gon' wup her
Down to the ground

I'm gonna take my dirk
An stomp her
Then an you know I'm gonna
Turn it round an round

Little boy blue
Please come blow your horn
My baby she gone an left me
She left me all a-lone

I have rambled an I have rambled
Until I have broke my po' self down
I believe to my soul

That the little girl is out of town

Little boy blue

Please come blow yo horn

My baby she gone an left me

She left me all a-lone.
