Everclear
You do that Romeo
Be what you wanna be
Look like your running late
Do that stupid dance for me
Do that Romeo
That go-go Romeo
I see you twist and turn
You look so stupid, happy in love
Be my Romeo
Please be my voice in this world
I can't sing the songs that you sing
I can't find the gorgeous words
Would you be my Romeo
My go-ro-ro-romeo
I see you twist and turn
You look so stupid
I feel just like a local god when I'm with the boys
We do what we want, yes we do what we want
I feel just like a local god when I'm with the boys
We do what we want, yes we do what we want
We do what we want
Yeah, we do what we want
Be my Romeo
Tell me all about your love
Tell me all about your pain
Baited breath and rubber gloves
Be my romeo
My go Ro-romeo
I see you twist and turn
you look so fucking stupid
I feel just like a local god when I'm with the boys
We do what we want, yes we do what we want
Summer days can lead to the bad time
The world gets rougher every day
Yea yea summer days can lead to the bad world
Because we're feeling stupid, happy in love
Stupid, happy in love
I feel so stupid, happy in love
Mmm, Stupid, happy in love
I feel so stupid
I feel so stupid

I feel just like a local god when I'm with the boys
We do what we want, We do what we want
I feel just like a local god when I'm with the boys
We do what we want, We do what we want
We do what we want, We do what we want
We do what we want, We do what we want
We do what we want, We do what we want
We do what we want, We do what we want
We do what we want, We do what we want
We do what we want, yea we do what we want
Yes we do what we want
Yea we do what we want
Yea we do what we want
We do what we want
