There are things in life you'll learn in
Who in time you'll see
'Cause out there somewhere
It's all waiting
If you keep believing

So don't run, don't hide
It will be all right
You'll see, trust me
I'll be there watching over you

Just take a look through my eyes
There's a better place, somewhere out there
Ooh, just take a look through my eyes
Everything changes, you'll be amazed what you'll find
If you look through my eyes

There will be times on this journey
All you'll see is darkness
But out there somewhere daylight finds you
If you keep believing

So don't run, don't hide
It will be all right
You'll see, trust me
I'll be there watching over you

Just take a look through my eyes
There's a better place, somewhere out there
Ooh, just take a look through my eyes
Everything changes, you'll be amazed what you'll find
If you look through my eyes

All the things that you can change
There's a meaning in everything
And you will find all you need
There's so much to understand

Just take a look through my eyes
There's a better place, somewhere out there
Just take a look through my eyes
Everything changes, you'll be amazed what you'll find

Ooh, just take a look through my eyes
There's a better place, somewhere out there
Just take a look through my eyes
Everything changes
You'll be amazed what you'll find

You'll find a better place
Just take a look through my eyes
Just take a look through my eyes
If you look through my eyes
Take a look through my eyes
