Going down now

The mountain screamed three times today  
I guess it thought I'd like to play  
How much does one have to pay  
To fry a peak and melt away  
Launching titan's breath on mine  
The sweating measure lands on time

And the old man, is down by the river  
Well he gets up, and he walks on down  
Up to the spaceship that's parked at your doorstep  
And it's waiting to take you away now

Goin' down now  
Goin' down now

Looking for the rat that crowed  
He's hooked up down in mexico  
Slap my nerve now give me more  
It's my disaster friend, not yours

And the last one, is down by the river  
Where he gets up and he falls on down  
Up to the spaceship that's parked at your doorstep  
And it's waiting to take you away now

It's down by the river, it's always this way now  
It's down by the river, it's always this way now

Going down now  
Going down now  
Now, now, now

Down, down, down
