[Verse 1:]

I've been down so long,
I've been hurt for so long,
There were times I thought I would never see the break
of day.
It was hard for me, to see your plan for me
And I tried to believe surely it won't last always
But night after night, (Night after night, Night after
night)
I pray Lord don't take your joy from me
Then late one night I read in your love letter that it's
gonna get better

[Chorus:]

Don't cha know that
I've been looking for you
I realized that nothing else will satisfy me
I'm so glad I found you
Now that I'm changed no one can keep me away from
you

[Verse 2:]

And my enemies, tried to come for me
And they thought that my world was coming to an end
All the while you knew
That I would make it through
I seem closer than I was when I first began
Jesus you are, (Jesus you are, Jesus you are)
You are my sun right after the rain
Wherever you are
I just wanna be near you
I'm so glad I can hear you

[Chorus:] [2x]

Don't cha know that
I've been looking for you
I realized that nothing else will satisfy me
I'm so glad I found you
Now that I'm changed no one can keep me away from
you

Ohoh Ohohoh
Ohoh Ohohoh
Ohoh Ohohoh
Ohoh Ohohoh

Jesus you are, (Jesus you are, Jesus you are)
You are my sun right after the rain
Wherever you are
I just wanna be near you
I so glad i found you

[Chorus:] [2x]
Don't cha know that
I've been looking for you
I realized that nothing else will satisfy me
I'm so glad I found you
Now that I'm changed no one can keep me away from
you
