"Love Is A Crime"

Ohh, yeah
Chicago

If love is a crime, baby
I'd do my time
Whether it's wrong or right
You can sentence me to life

If love is a crime, baby
I'd do my time
Whether it's wrong or right
You can sentence me, sentence me to life

Some might say I'm guilty of loving the first degree
If the jury wants to lock me up and throw away the key
There's no greater punishment than what I face inside
Won't tamper with the evidence 'cause there's nothing
to hide

He lives inside my heart
I'm at middle too
You wouldn't have a clue
Unless you felt it too

If love is a crime, baby
I'd do my time
Whether it's wrong or right
You can sentence me to life

If love is a crime, baby
I'd do my time
Whether it's wrong or right
You can sentence me, sentence me to life

Better tell the truth, just let me plead my case
The thief who stole my heart from me I couldn't let
escape
He's my only alibi, but I won't drop a dime
So how can I give up to you, my partner in crime

He lives inside my heart
I'm at middle too

You wouldn't have a clue
Unless you felt it too

If love is a crime, baby
I'd do my time
Whether it's wrong or right
You can sentence me to life

If love is a crime, baby
I'd do my time
Whether it's wrong or right
You can sentence me, sentence me to life

You can take away my freedom
But you can't take my love from me
I won't die a lonely prisoner
'Cause my heart will set me free

Ohh, yeah
