What's happening baby, did you miss me over the weekend

If you did, I'm sorry but now that I'm here
I don't want to bore you with a long irrelevant conversation

But you see, darling I think it's about time
For me to get real serious about you

Because if someone was to rip me off of you
I couldn't account for my actions, after all
And the way I feel knowing
That you should have be mine, all the time

But you see I not only want you, baby, I need you
And the need is so strong it's almost like that of a junkie
In other words, baby, I just got to have you
Listen to me, darling, please listen to me

Love Jones, I got a Love Jones
I got a Love Jones for you
Love Jones, I got a Love Jones
I got a Love Jones for you

What, baby, what is a Love Jones
Shucks, darling it's when you love someone
Very, very much and you just can't seem to
Get yourself together

Like last Friday in class
When Mr. Russell was giving us the test
I was sitting up, staring at you and daydreaming
I know I failed a test paper with nothing but my name
on it

I guess anybody can have a Love Jones
It's just love, but true love
The way I feel about you that's a Love Jones, flower
A Love Jones

Love Jones, I got a Love Jones
I got a Love Jones for you

Love Jones, I got a Love Jones
I got a Love Jones for you

If you've comprehended any thing I've said
And you find that you do love me
Then all I want here from you darling
Is that you too have a Love Jones

Love Jones, I got a Love Jones
I got a Love Jones for you
Love Jones, I got a Love Jones
I got a Love Jones for you
