Oh, yeah  
I'm just a love machine  
And I won't work for nobody but you  
I'm just a love machine  
A hugging kissing fiend

I think it's high time you knew whenever I think of you  
My mind blows a fuse  
When I look in your eyes my meter starts to rise  
And I become confused

My motor cranked electric goes  
When I'm sitting next to you  
Electricity starts to flow  
And my indicator starts to glow

I'm just a love machine  
And I won't work for nobody but you  
I'm just a love machine  
A hugging kissing fiend

I'm just a love machine  
And I won't work for nobody but you  
I'm just a love machine  
A hugging kissing fiend

I'm gentle as a lamb I'm not that hard to program  
There's no way that you can lose  
Chassis fits like a glove I've got a button for love  
That you've got to use

If you look into my power  
I am sure you can find out how  
To turn me on just set my dial  
And let me love you for a little while

I'm just a love machine  
And I won't work for nobody but you  
I'm just a love machine  
A hugging kissing fiend

Push it, push it baby, ah, ah

I'm just a love machine  
And I won't work for nobody but you  
I'm just a love machine  
A hugging kissing fiend

I'm just a love machine  
And I won't work for nobody but you  
I'm just a love machine  
A hugging kissing fiend
