Let me love you till the morning comes

Ooh baby love me right
Let me love you till you get it right
Why can't you let the others be
'Coz with you is where I got to be

Ooh sugar where you been
Hanging out with your male friends
Listen somebody's gonna hurt you
The way you love to keep hurting me

Ooh baby love me right
Let me love you till the morning comes
Ooh sugar love me right
You know I want to be the only one

Let me love you till you get it right

Ooh baby understand
I want you to be the only man
But it seems though it's getting too hot
I think I'll start to have my own fun

Ooh baby it's clean to see
That I'm qualified to fill your needs
You think you put it over on me
Oh honey, baby just you wait and see

Ooh baby love me right
Let me love you till the morning comes
Ooh sugar love me right
You know I want to be the only one

Let me love you till you get it right
Let me love you till you get it right
Love me right, you gotta love me
Love me right, you gotta love me
Let me love you till you get it right

Ooh baby love me right

Let me love you till the morning comes
Ooh sugar love me right
You know I want to be the only one

Ooh baby love me right
Let me love you till the morning comes
Ooh sugar love me right
You know I want to be the only one
