Nothing grows in the driest places  
The bitter cold or children's faces  
Like love will, love will

Nothing can be everlasting  
Or send an iron curtain crashing  
But love will, love will

Love's a gift the richest or the poorest man can give  
It's the only treasure that I know  
Love will not forsake you on the last day that you live  
'Cause you can take it with you when you go

You can do the world a favor  
Love yourself and love your neighbor  
If you will, love will

Someone leaves and we've all been through it  
Tears don't help and words won't do it  
But love will, love will

I don't wanna be there if we only got too late  
Love's the only weapon that is strong enough for hate

You can do the world a favor  
Love yourself and love your neighbor  
If you will, love will  
Ohh, if you will, love will

Love will  
Ooh, love will  
Love will  
Love will
