It never really mattered too much to me  
That you were just too darned old for me  
All that really mattered was you were my girlfriend  
And baby, that's all that mattered to me

Let me love you down  
Even if it takes all night  
Let me love you down  
You know it's gonna be so right

Remember when I drove you home from work  
I loved the way when you kissed me bye  
All your friends think I'm just too young for you  
You tell them I can do what guys their age can do, oh,  
baby

Let me love you down  
Even if it takes all night  
Let me love you down  
You know it's got to be so right

Let me love you down  
Even if it takes all night  
Let me love you down  
You know it's got to be so right, oh

It never really mattered too much to me  
That you were too darned old for me  
All that really mattered was you were my girlfriend  
And baby, that's all that mattered to me, oh, baby

Let me love you down  
Ooh, oh  
Let me love you down  
You know it's gonna be so right

Let me love you down  
Ooh  
Let me love you down  
You know it's gonna be so right

{I can love you down, love you down}

Let me love you down  
I know, I know I could  
Let me love you down  
I know it's gonna take all night

Let me love you down  
No, no, no, no  
Let me love you down  
Ohh

Let me love you  
From dawn  
Take the house and the car  
I love like you are
