Then the rainstorm came, over me
And I felt my spirit break
I had lost all of my, belief you see
And realize my mistake
But time through a prayer, to me
And all around me, it came still

I need love, loves divine
Please forgive me now I see that I've been blind
Give me love, loves is what I need to help me know my
name

Through the rainstorm came, century
And I felt my spirit fly
I had felt, all of my, reality
I realize what it takes

'Cause I need love, love's divine
Please forgive me now I see that I've been blind
Give me love, loves is what I need to help me know my
name

Oh I, don't bet (don't bet), don't bet (don't bet)
Show me how to live a promise me you won't forsake
'Cause love can help me know my name

Well I try to say there's nothing wrong
But inside felt that all in all
But the message here was plain to see
Believe:

'Cause I need love, love's divine
Please forgive me now I see that I've been blind
Give me love, loves is what I need to help me know my
name

Oh I, don't bet (don't bet), don't bet (don't bet)
Show me how to live a promise me you won't forsake
'Cause love can help me know my name

Love can help me know my name.
