I have seen the mornin' burnin'
Golden on the mountain in the sky
Achin' with the feelin' of the freedom
Of an eagle when she flies

Turnin' on the world the way
She smiled upon my soul as I lay dying
Healin' as the colors in the sunshine
And the shadows of her eyes

Wakin' in the mornin' to the feelin'
Of her fingers on my skin
Wipin' out the traces of the people
And the places that I've been

Teaching me that yesterday
Was something that I never thought of trying
Talkin' of tomorrow and the money
Love and time we had to spend
Loving her was easier than anything I'll ever do again

Coming close together with a feeling
That I've never known before in my time
She ain't ashamed to be a woman
Or afraid to be a friend

I don't know the answer to the easy way
She opened every door in my mind
But dreamin' was as easy as
Believing it was never gonna end
And loving her was easier than anything I'll ever do
again
