I like to party, everybody does
Make luv and listen to the music
You've got to let yourself go go, go go

I like to party, everybody does
Make luv and listen to the music
You've got to let yourself go go, go go

Make luv and listen to the music
Go go, go go
Make luv and listen to the music
You've got to let yourself go go, go go

Make luv and listen to the music
Go go, go go
Make luv and listen to the music
You've got to let yourself go go, go go
