Ladies and gentlemen
This is mambo no. 5

One, two, three, four, five
Everybody in the car, come on, let's ride
To the liquor store 'round the corner
The boys say they want some gin and juice
But I really don't wanna

Beer bust like I had last week
I must stay deep because talk is cheap
I like Angela, Pamela, Sandra and Rita
And as they continue, you know they are looking
sweeter

So what can I do? I beg you my Lord
To me flirting is just like sport
Anything'll fly, it's all good
Let me dump it, please set in the trumpet

A little bit of Mardi Gras in my life
A little bit of carnival, it's alright
A little bit of cellulite, if you please
A little bit of mambo is all I need

A little bit of Sandra in the sun
A little bit of Mary, all night long
A little bit of Jessica, here I am
A little bit of you makes me your man

Oh, we party down in the city
We gonna do New Orleans
[Incomprehensible]

Jump up and down
And move it all around
Shake your head to the sound
Put your hands on the ground

Take one step left and one step right
One to the front and one to the side
Clap your hand once, clap your hands twice

If it looks like this, then you are doing right

A little bit of Mardi Gras in my life
A little bit of carnival, makes it right
A little bit of cellulite, if you please
A little bit of mambo is all I need

A little bit of Sandra in the sun
A little bit of Mary, all night long
A little bit of Jessica, here I am
A little bit of you makes me your man

New Orleans
Home of the Mardi Gras
Yo, say what?
[Incomprehensible] roulette

A little bit of Mardi Gras in my life
A little bit of carnival, it's alright
A little bit of cellulite, if you please
A little bit of mambo is all I need

A little bit of Sandra in the sun
A little bit of Mary, all night long
A little bit of Jessica, here I am
A little bit of you makes me your man

I do all to fall in love
With a girl like you
You can't run, you can't hide
You and me, we gonna touch the sky
