Mariah, Mariah They call the wind Mariah.

Away out here they got a name for rain and wind and fire.

The rain is Tess, the fire's Joe. They call the wind Mariah.

Mariah blows the stars around and sends the clouds a flyin'.

Mariah makes the mountains sound like folks were up there dyin'

Mariah, Mariah They call the wind Mariah.

Before I knew Mariahs' name and heard her wail and whinin'

I had a girl and she had me and the sun was always shinin'

But then one day I left my girl I left her far behind me
And now I'm lost so gall durn lost not even God can find me.

Mariah, Mariah They call the wind Mariah.

Out here they got a name for rain for wind and fire only
But when you're lost and all alone there ain't no word for lonely.

And I'm a lost and lonely man without a star to guide me.

Mariah blow my love to me. I need my girl beside me.

Mariah, Mariah They call the wind Mariah.

Mariah, Mariah Blow my love to me
