End of passion play, crumbling away
I'm your source of self-destruction
Veins that pump with fear, sucking darkest clear
Leading on your deaths' construction

Taste me, you will see
More is all you need
You're dedicated to
How I'm killing you

Master, Master
Master of puppets, I'm pulling your strings
Twisting your mind and smashing your dreams
Blinded by me, you can't see a thing

Master, Master
Call my name
And I'll hear you scream
Master, Master

Needlework the way, never you betray
Life of death becoming clearer
Pain monopoly, ritual misery
Chop your breakfast on a mirror

Taste me, you will see
More is all you need
You're dedicated to
How I'm killing you

Master, Master
Master of puppets, I'm pulling your strings
Twisting your mind and smashing your dreams
Blinded by me, you can't see a thing

Master, Master
Call my name
And I'll hear you scream
Master, Master

Master, Master
All I hear and see is Master

Master, Master
Nothing have I dreamt

Come crawling faster
Obey your Master
Your life burns faster
Obey your Master

Master of puppets, I'm pulling your strings
Twisting your mind and smashing your dreams
