Jive Jones---Me, Myself & I

Me, myself, myself and I
Just me, myself and I
Myself, myself
I, I, I, I, I

Me, myself, myself and I
Just me, myself and I
Me, myself, myself and I
Just me, myself and I

I woke up late
Fell out of bed
Missed the bus to
High school hell
Mom's painting my nails
Reading a magazine
You seem asleep
Me steal the keys
Now I'm the star
Of my neighbour hell
Dad, there's no need to yell
'Cause I changed my name

[chorus]
You know that I
Love to do it all the time
I wanna get high
And that's fine

Me, myself, myself and I
Just me, myself and I
Me, myself, myself and I
Just me, myself and I

Today I got hate
Made the grade
I guess I'll graduate, on hell
Smoking can kill
Oh how I love these days

[chorus]
You know that I
Love to do it all the time
I wanna get high
And that's fine

Me, myself and I

[chorus 2X]
You know that I
Love to do it all the time
I wanna get high
And that's fine

Me, myself, myself and I
Just me, myself and I

Myself, myself
I, I, I, I, I

I love to do it all the time
I wanna get high
And that's fine

(Me, myself, myself and I
Just me, myself and I) keep repeating

(I love to do it all the time
I wanta get high
And that's fine) keep repeating
