She came all the way from America  
Had a blind date with destiny  
And the sound of te awamutu  
Had a truly sacred ring

Now her parents are divorced  
And her friend's committing suicide

I could not escape, a plea from the heart  
You know what it means to me  
She said, "Don't walk away, I'm down  
on my knees"  
So please don't be mean to me

So I talked to you for an hour  
In the bar of a small town hotel  
You asked me what I was thinking  
I was thinking of a padded cell

With a black and white T.V.  
To stop us from getting lonely

I could not escape a plea from the heart  
You know what it means to me  
She said, "Don't walk away, I'm down  
on my knees"  
So please don't be mean to me

No, I could not escape a plea from the heart  
Mysterious sympathy  
I couldn't wait for a chance to walk out the door  
You know what it means to me

I saw you lying in the arms of a poet  
I heard him tell you tantalizing lies  
Well, whad'ya know,  
whad'ya know

I could not escape, you're down on the floor  
You know what it means to me  
I couldn't wait for a chance to walk out the door  
Mean

You know what it means  
In the arms of a poet  
You know what it means
