She doesn't own a dress
Her hair is always a mess
Catch her stealing, she won't confess
She's beautiful

Smokes a pack a day, oh wait, that's me but anyway
She doesn't care a thing about that, hey
She thinks I'm beautiful
Meet Virginia

She never compromises, loves babies and surprises
Wears high heels when she exercises
Ain't that beautiful?
Meet Virginia

Well she wants to be the queen
And she thinks about her scene
Pulls her hair back as she screams
I don't really wanna be the queen

Her daddy wrestles alligators
Mama works on carburetors
Her brother is a fine mediator
For the President

Well here she is again on the phone
Just like me hates to be alone
We just like to sit at home, and rip on the President
Meet Virginia, mmm right

Well she wants to live her life
And she thinks about her life
Pulls her hair back as she screams
I don't really wanna live this life, no no no no no

She only drinks coffee at midnight
When the moment is not right, her timing is quite
unusual
You see her confidence is tragic, but her intuition
magic
And the shape of her body, unusual

Meet Virginia
I can't wait too
Meet Virginia
Yeah, yeah hey, hey, hey

Well she wants to be the queen
And she thinks about her scenes
Well she wants to live her life
Then she thinks about her lies

Pulls her hair back as she screams
I don't really wanna be the queen
I don't really wanna be the queen
I don't really wanna be the queen
I don't really wanna live
