### "Mercy Mercy Me"

Mercy mercy me  
Things ain't what they used to be, no, no  
Where did all the blue skies go?  
Poison is the wind that blows from the north and south  
and east

Mercy, mercy me  
Things ain't what they used to be, no, no  
Oil wasted on the ocean and upon our seas  
Fish full of mercury

Mercy, mercy me  
Things ain't what they used to be, no, no  
Radiation under ground and in the sky  
Animals and birds who live nearby are dying

Mercy, mercy me  
Things ain't what they used to be  
What about this overcrowded land  
How much more abuse from man can she stand?

My sweet Lord  
My Lord, sweet Lord
