Merry Christmas and Happy Holidays  
Merry Christmas, Merry Christmas  
Happy Holidays  
We've been waiting all year for this night  
And the snow is glistening on the trees outside  
And all the stockings are hung by the fire side  
Waiting for Santa to arrive  
And all the love will show  
'Cause everybody knows  
It's Christmastime and  
All the kids will see  
The gifts under the tree

It's the best time of the year for the family  
It's a wonderful feeling  
Feel the love in the room  
From the floor to the ceiling  
It's that time of year  
Christmastime is here  
And with the blessings from above  
God sends you his love  
And everybody's okay  
Merry Christmas, Happy Holidays  
Merry Christmas

Happy Holidays

Bells are ringing  
It's time to scream and shout (scream and shout)  
And everybody's playing cause school's out  
Celebrating this special time we share  
Happiness cause love is in the air

And all the love will show  
'Cause everybody knows

All the kids will see  
The gifts under the tree
