My milkshake brings all the boys to the yard
And they're like it's better than yours
Damn right, it's better than yours
I could teach you, but I have to charge

My milkshake brings all the boys to the yard
And they're like it's better than yours
Damn right, it's better than yours
I could teach you, but I have to charge

My milkshake brings all the boys to the yard
And they're like

I could teach you, but I have to charge

I know you want it
That thing that makes me
What the guys go crazy for
They lose their minds, the way I whine
I think it's time

The boys are waiting

Oh, once you get involved
Everyone will look this way so
You must maintain your charm
Same time maintain your halo

Just get the perfect blend
Plus what you have within
Then next his eyes will squint
Then he's picked up your scent
