[The Cure - Mint Car]

The sun is up  
i'm so happy i could scream  
and there's nowhere else in the world i'd rather be  
than here with you  
it's perfect  
it's all I ever wanted  
Almost can't believe that it's for real  
i really don't think it gets any better than this  
vanilla smile  
and a gorgeous strawberry kiss!  
birds sing we swing  
clouds shift by and everything is like a dream  
It's everything I wished...

never guessed it got this good  
wondered if it ever would  
really didn't think it could  
do it again?  
i know we should!!!

The sun is up  
i'm so fizzy i could burst!  
you wet through and me headfirst  
into this it's perfect  
It's all i ever wanted  
ow! it feels so big it almost hurts!

never guessed it got this good  
wondered if it ever would  
really didn't think it could  
do it some more?  
i know we should!!!  
it will always be like this  
forever and ever

never guessed it got this good  
Wondered if it ever would  
Really didn't think it could  
do it all the time? i know that we should!!!
