How many sorrows  
Do you try to hide  
In a world of illusions  
That's covering your mind?

I'll show you something good  
Oh, I'll show you something good  
When you open your mind you'll discover the sign  
That there's something you're longing to find

The miracle of love  
Will take away your pain  
When the miracle of love  
Comes your way again

Cruel is the night  
That covers up your fears  
Tender is the one  
That wipes away your tears

There must be a bitter breeze  
To make you sting so viciously  
They say the greatest coward  
Can hurt the most ferociously

I'll show you something good  
Oh, I'll show you something good  
If you open your heart you can make a new start  
When your crumbling world falls apart

The miracle of love  
Will take away your pain  
When the miracle of love  
Comes your way again

A miracle of love  
Will take away your pain  
The miracle of love  
Comes your way again

The miracle of love  
Will take away your pain

When the miracle of love  
Comes your way again
