Free, that's all that she could bleed
That's why she'll never stay
White, bare naked in the night
And lookin' for some play

Just another girl that wants to rule the world
At any time or place
And when she gets into your head
You know she's there to stay

Ahh, you want it, well, she's got it
Molly's chambers goin' to change your mind
Ahh, she's got your, your pistol
Molly's chambers goin' to change your mind
Molly's chambers goin' to change your mind

Slow, she's burnin' in your soul
With whispers in your ear
It's okay, I'll give it anyway
Just get me out of here

You'll plead, you'll get down on your
knees
For just another taste
And when you think she's let you in
That's when she fades away

Ahh, you want it, well, she's got it
Molly's chambers goin' to change your mind
Ahh, she's got your, your pistol
Molly's chambers goin' to change your mind
Molly's chambers goin' to change your mind

Ahh, you want it, well, she's got it
Molly's chambers goin' to change your mind
Ahh, she's got your, your pistol
Molly's chambers goin' to change your mind

Ahh, you want it, well, she's got it
Molly's chambers goin' to change your mind
Ahh, she's got your, your pistol
