The hours approaching, just give it your best  
You've got to reach your prime.  
That's when you need to put yourself to the test,  
And show us a passage of time,  
We're gonna need a montage (montage)  
Oh it takes a montage (montage)

Show a lot of things happening at once,  
Remind everyone of what's going on (what's going on?)  
And with every shot you show a little improvement  
To show it all would take to long  
That's called a montage (montage)  
Oh we want montage (montage)

And anything that we want to go from just a beginner to  
a pro,  
You need a montage (montage)  
Even Rocky had a montage (montage)

(Montage montage)

Anything that we want to go from just a beginner to a  
pro,  
You need a montage (montage)  
Oh it takes a montage (montage)

Always fade out in a montage,  
If you fade out, it seem like more time  
Has passed in a montage,  
Montage
