Is my imagination running away  
Or is all this really happening to me  
Am I a prince in a far away land filled with fantasy

Where is reality and what are the actions that will  
define who I am?  
I am holding onto the visions I've seen of what I could  
be  
It's what I should be

[Chorus:]  
More than it seems these dreams inside  
(show me the way to these dreams)  
Blur reality's line  
( 'til there's nothing that's left of me)  
If I could believe the dreams aside  
(show me the way to these dreams)  
I am capable more than it seems

Passing through darkness into my own world  
Will I be more than when I left (than when I left)  
Never letting go of the lessons I learned  
This will make a change  
A change within me

[Chorus:]  
More than it seems these dreams inside  
(show me the way to these dreams)  
Blur reality's line  
( 'til there's nothing that's left of me)  
If I could believe the dreams aside  
(show me the way to these dreams)  
I am capable more than it seems

This time I won't run away  
I found the strength to face life's long days  
This time I won't run away

[Chorus:]  
More than it seems these dreams inside  
(show me the way to these dreams)

Blur reality's line  
( 'til there's nothing that's left of me)  
If I could believe the dreams aside  
(show me the way to these dreams)  
I am capable more than it seems

'Til there's nothing left of me  
Show me the way to these dreams
