And I could feel at the time there was no way of
knowing
Fallen leaves in the night, who can say where they're
blowing
As free as the wind and hopefully learning
Why the sea on the tide has no way of turning

More than this there is nothing
More than this, tell me one thing
More than this there is nothing

And it was fun for a while, there was no way of knowing
Like a dream in the night who can say where we're
going
No care in the world, maybe I'm learning
Why the sea on the tide has no way of turning

More than this there is nothing
More than this, tell me one thing
More than this there is nothing

More than this
More than this
More than this
More than this

More than this, there is nothing
More than this, tell me one thing
More than this, there is nothing
