Here I am at six o'clock in the morning  
Still thinking about you  
It's still hard at six o'clock in the morning  
To sleep without you

And I know that it might  
Seem too late for love  
All I know

I need you now more than words can say  
I need you now, I've got to find a way  
I need you now before I lose my mind  
I need you now

Here I am, I'm looking out my window  
I'm dreaming about you  
Can't let go at six o'clock in the morning  
I feel you beside me

And I know that it might  
Seem too late for love  
For love, oh, oh, oh

I need you now more than words can say  
I need you now, I've got to find a way  
I need you now before I lose my mind  
I need you now

More than words can say, I need you now  
Oh, I got to hear you say, I need you now  
Before I lose my mind, I need you now  
I need you now
