Here I am at six o'clock in the morning
Still thinking about you
It's still hard at six o'clock in the morning
To sleep without you

And I know that it might
Seem too late for love
All I know

I need you now more than words can say
I need you now, I've got to find a way
I need you now before I lose my mind
I need you now

Here I am, I'm looking out my window
I'm dreaming about you
Can't let go at six o'clock in the morning
I feel you beside me

And I know that it might
Seem too late for love
For love, oh, oh, oh

I need you now more than words can say
I need you now, I've got to find a way
I need you now before I lose my mind
I need you now

More than words can say, I need you now
Oh, I got to hear you say, I need you now
Before I lose my mind, I need you now
I need you now
