I've got it all, but I feel so deprived  
I go up, I come down and I'm emptier inside  
Tell me what is this thing that I feel like I'm missing  
And why can't I let it go

There's gotta be more to life  
Than chasing down every temporary high to satisfy me  
'Cause the more that I'm  
Tripping out thinking there must be more to life  
Well it's life, but I'm sure there's gotta be more  
Than wanting more

I've got the time and I'm wasting it slowly  
Here in this moment, I'm half way out the door  
Onto the next thing, I'm searching for something that's  
missing

There's gotta be more to life  
Than chasing down every temporary high to satisfy me  
'Cause the more that I'm  
Tripping out thinking there must be more to life  
Well it's life, but I'm sure there's gotta be more  
I'm wanting more

I'm always waiting on something other than this  
Why am I feelin' like there's something I missed

There's gotta be more to life  
Than chasing down every temporary high to satisfy me  
'Cause the more that I'm  
Tripping out thinking there must be more to life  
Well it's life, but I'm sure

There's gotta be more to life  
Than chasing down every temporary high to satisfy me  
'Cause the more that I'm  
Tripping out thinking there must be more to life  
Well it's life, but I'm sure

There's gotta be more to life  
More to life

More to life  
More to life
