Ladies and gentlemen the Detroit theatre continues
Our legendary talent contest
With the courageous, the curvaceous, Dreamgirls
It's the Dreamgirls, the Dreamgirls

Move, move, move right out of my life
Move, move, move right out of my life

You better move, you're stepping on my heart
I said move, you're tearing it apart
Please move, oh, what am I gonna do now, my heart
It's breaking, breaking up over you

You've got a such magnetic power that just keeps
holding me down
I feel just like a flower
But you're keeping stuck in the ground, ground,
ground, yeah

Move, move, move right out of my life
Move it, move it out of my life
Move, move, move right out of my life
Move it, move it out of my life
Move, move, move right out of my life

You are so horribly satanic the way you lead me around
I feel just like the Titanic, I'm always going down, down,
down, down

Move, move you're stepping on my style
(You're stepping on my style, yes you are, yeah)
Move, move I wanna breath for a while
(I wanna breath for a while, help me)

Move, move, move right out of my life
Move it, move it out of my life
Move, move, move right out of my life
Move it, move it out of my life

So why don't you pack it up and move it
Take a crack at it, like a bullet
It's like a broken down car, you're smelling cigar

Just move right out of my, move right out of my life

Please move, move, move, move

Please move, move, move, move

Please move, move, move, move

Please move, move, move, move

Please move
