Well, sure it never used to be, so hard, this hard  
Used to get those kicks for free,  
But now I'm throwing the line.  
Oh, this ain't no way to be  
Stuck between my shadow and me  
Could appear the sun don't shine, babe  
Although I tell you that I'm doing fine

[Chorus:]

Oh I'm so tired of beating myself, beating myself up  
Gonna take a trip and multiply  
At least go under with a smile  
Oh I'm so tired of beating myself, beating myself up  
Gonna take a trip and multiply  
At least go under with a smile

Oowee, sure I never used to be  
in trouble, so much trouble  
Love is just a shackle I see, going out of my mind,  
Oh, this ain't no way to be  
Stuck between my shadow and me  
Sun's going down, it's getting dark in here  
Still folks say I've got nothing to fear.

[Chorus:]

I'm so tired of beating myself, beating myself up  
Gonna take a trip and multiply  
At least go under with a smile  
Oh I'm so tired of beating myself, beating myself up  
Gonna take a trip and multiply  
At least go under with a smile

People on the street, there are many many  
People on the moon, there ain't any any, shed, hey hey,  
oho  
Calling down the same old hope  
Taking it down 'cause I got no control

I'm so tired, so tired, so tired, so tired,  
So tired, so tired, so tired, so tired,  
So tired, so tired, so tired, so tired

So tired sohhohohoho tired

[Chorus:]

Oh I'm so tired of beating myself, beating myself up

Gonna take a trip and multiply

At least go under with a smile

Oh I'm so tired of beating myself, beating myself up

Gonna take a trip and multiply

At least go under with a smile
