I am thinking of you in my sleepless solitude tonight
If it's wrong to love you
Then my heart just won't let me be right
Cause I've drowned in you
And I won't pull through without you by my side

I'd give my all to have just one more night with
you
I'd risk my life to feel your body next to mine
'Cause I can't let go on living in the memory of
your song
I'd give my all for your love tonight

Baby can you feel me imagining I'm looking in
your eyes
I can see you clearly vividly emblazoned in my mind
And yet you're so far like a distant star
I'm wishing on tonight

I'd give my all to have just one more night with
you
I'd risk my life to feel your body next to mine
Cause I can't let go on living in the
memory of my song
I'd give my all for your love tonight

I'd give my all to have just one more night with
you
I'd risk my life to feel your body next to mine
Cause I can't let go on living in the
memory of your song
I'd give my all for your love tonight, give my all
for your love tonight

Just one more night
Just one more night
Just one more night

I'd give my all to have just one more night
I'd risk my life to feel your body, feel your body
Feel your body, feel your body, baby baby
No I can't let go on living in the memory of your

song
I'd give my all for your love tonight
