Yeah, my baby left me
Never said a word
Wasn't somethin' I done
Somethin' that she heard

But she left me
Yeah, she left me
My baby even left me
Never said a word

I stand at the window
Wring my hands an cry
I hate to leave that woman
I hate to say, goodbye

Though, she left me
Yeah, she left me
My baby even left me
Never said, goodbye

'Yeah, play it Mr. Ransom'

(instrumental)

Baby, one a these mo'nins
Lord, it won't be long
You'll look for me, baby
An down a road I'm gone

You know, you left me
Yeah, you left me
My baby even left me
Never said, goodbye

De-da-da, de-de-de
De-de-de-de
De-de-de, de-de-de
De-de, de-de
De-de-de

My baby left me
My baby left me

My baby even left me
Never said, goodbye

Lord, I stand at the window
Wring my hands an moan
All I know, now
The one I love is gone

My baby left me
My baby left me
My baby even left me
Never said, goodbye.
