Yas, yas, yas

I have signed my name
It won't be long befo' I go
I have signed my name
It won't be long befo' I go
I woke up this mo'nin
The mailman had my numbers at my do'

If you're twenty-one, buddy
I advise you not to hide
If you're twenty-one, buddy
I advise you not to hide
Because when that wagon roll 'round
I declare you've got to ride, it

Uncle Sam he's callin' fer you
And you know you got to go
(Lord-Lord, Lord-Lord)
He's callin' for all you jitterbugs
Like he never called befo'
(Oh Lord, Lord, Lord)

The charitys been taken care of you
For a very long, long time
Now, Uncle Sam is calling you
And you know what's on his mind

Buddy, buddy
I advise you not to hide
Because when that wagon roll 'round
I declare you've got to ride

If you should happen to see a smoke, mama
An it ain't no wind around
If you should happen to see a smoke, mama
An it ain't no wind around
Just tell all yo' friends
That's the Five Breezes, leavin' town

(chorus sings 2 part harmony)
