My eyes adored you
Though I never laid a hand on you,
My eyes adored you
Like a million miles away from me you couldn't see
How I adored you
So close, so close and yet so far away

Carried your books from school,
Playing make-believe you're married to me:
You were fifth grade, I was sixth
When we came to be
Walking home every day over Barnegat Bridge and
Bay,
Till we grew into the me and you
Who went our separate ways

My eyes adored you
Though I never laid a hand on you,
My eyes adored you
Like a million miles away from me you couldn't see
How I adored you
So close, so close and yet so far

Headed for city lights,
Climbed the ladder up to fortune and fame,
I worked my fingers to the bone,
Made myself a name.
Funny, I seem to find that, no matter how the years
unwind,
Still I reminisce about the girl miss
And the love I left behind...

My eyes adored you
Though I never laid a hand on you,
My eyes adored you
Like a million miles away from me you couldn't see
How I adored you
So close, so close and yet so far

All my life I will remember how warm and tender
We were way back then

Though I'm feeling sad regrets I know I won't ever
forget
You, my childhood friend

My eyes adored you
Though I never laid a hand on you,
My eyes adored you
Like a million miles away from me you couldn't see
How I adored you
So close, so close and yet so far
